

20th July 1962]

## APPENDIX III.

[Vide answer to starred question No. 457 on page 443.]

## NOTE.

Hindustan Photo Films Manufacturing Company, Ltd., a company fully owned by the Government of India is establishing an Industrial Undertaking on the outskirts of Ootacamund for the manufacture of cinema film, photographic films and paper, X-ray films and other sensitised materials, in technical collaboration with a reputed French concern. Government lands measuring 280 acres have been handed over to the company free of cost for construction of factory, etc. The Madras State Electricity Board has agreed to supply the required quantum of power. The water requirements of the project will be met from the Sandyanallah Reservoir. The buildings are under construction. Orders have been placed for plant and machinery. Equipment to the value of about Rs. 10 lakhs has been received.

## APPENDIX IV.
